Any deferred payments made pursuant to this provision of the Plan shall be by equal monthly Cash payment beginning on the first day of the calendar month following the Effective Date. Interest shall accrue from the Confirmation Date.

Notwithstanding any other provision of this Plan, any oversecured Allowed Class 2 Claim of any U.S. federal or state taxing authority shall be entitled to postpetition interest at the rate provided for in section 6621(a)(2) of the Internal Revenue Code up to the amount by which the value of the property securing the oversecured Allowed Class 2A Claim exceeds the value of such claim.

U.S. federal and state taxing authorities shall retain the tax liens and rights to setoff securing their Allowed Class 2 Claims, if any, and, in the event the Finance Company Debtors (or, after the Effective Date, the Plan Administrator) substantially default on the payment of such claims (as provided for in this Plan), then the total amount still owed to such taxing authority under this Plan shall become due and payable, and the taxing authority may collect such amount through the administrative or judicial collection provisions of such agency or as otherwise permitted under nonbankruptcy law. In this context, "substantial default" shall mean that the Finance Company Debtors (or after the Effective Date, the Plan Administrator) have defaulted on three Plan payments to the relevant taxing authority and have ceased making the payments called for under the Plan, and, after receiving notice of such default from the taxing authority, have not attempted to cure the default and satisfy their Plan obligations.

On the Effective Date, or as soon as practicable thereafter, any Allowed Class 2 Claims of U.S. federal, state, or local governmental entities for *ad valorem* taxes shall be paid in full in Cash with post-petition interest (on such claims as are oversecured) at the applicable statutory rate up to the amount by which the value of the property securing such oversecured claim exceeds the value of such claim and with post-confirmation interest at a rate of 8% per annum accruing from the Confirmation Date. Allowed Class 2 Claims of U.S. federal, state, or local governmental entities for *ad valorem* taxes with respect to which an objection is filed shall be paid within 30 days of the entry of the final order resolving the objection, with post-petition interest (on such claims as are oversecured) at the applicable statutory rate up to the amount by which the value of the property securing such oversecured claim exceeds the value of such claim and with post-confirmation interest at a rate of 8% per annum accruing from the Confirmation Date. The liens with respect to such tax claims shall remain in full force and effect on the property of the Finance Company Debtors or the proceeds thereof until such claims are finally paid in full.

(c) *Voting:* Class 2 is Unimpaired and the Holders of Class 2 Claims are conclusively deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, the Holders of Claims in Class 2 are not entitled to vote to accept or reject the Plan.

3. Class 3—Lehman Final Secured Claims

(a) *Classification:* Class 3 comprises the Lehman Final Secured Claims.

(b) *Treatment:* Subject to the last sentence of this paragraph (b), Holders of Allowed Class 3 Claims shall receive, in full and final satisfaction of the Lehman Final Secured Claims, payment in full in Cash on the CFN Closing Date of an amount equal to the Lehman Final Secured Claims minus the amount of the Lehman Subordinate Secured Claim. Lehman shall receive such distribution regardless of whether the GE Closing Date has occurred, but such distribution shall be subject to disgorgement if the Effective Date does not occur, to the extent required pursuant to a Final Order in the Lehman Adversary Proceeding. After the Effective Date, the Lehman Final Secured Claims shall not be subject to offset, counterclaims or defenses of any kind. After the Effective Date, the security interests securing the Lehman Final Secured Claims as Allowed hereby shall not be subject to avoidance or attack of any kind. On the CFN Closing Date Lehman shall present the Finance Company Debtors and the Committee with their proposed calculation of the Lehman Final Secured Claim and the Lehman Adjustment Amount. If Lehman and the Finance Company Debtors and the Committee are unable to agree on the Lehman Adjustment Amount, the parties shall seek an expedited determination by the Bankruptcy Court of the Lehman Adjustment Amount; provided, however, that such determination shall not affect in any manner the Lehman Current Secured Claim. To the extent there is any dispute as to the Lehman Adjustment Amount, the Finance Company Debtors shall advance to Lehman (or allow Lehman to retain) the amount asserted by Lehman, and Lehman

shall be obligated to return to the Finance Company Debtors or to the Plan Administrator any amounts that the Bankruptcy Court determines were not properly included in the Lehman Adjustment Amount. Lehman shall receive no distributions on account of the Lehman Subordinate Secured Claim unless and until such time as all Class 5 General Unsecured Claims are paid in full in Cash, including interest thereon.

(c) *Voting:* Class 3 is Impaired and the Holders of Class 3 Claims are entitled to vote to accept or reject the Plan.

4. *Class 4—93/94 Note Claims*

(a) *Classification:* Class 4 comprises the 93/94 Note Claims against the Finance Company Debtors.

(b) *Treatment:* Holders of Allowed 93/94 Note Claims against the Finance Company Debtors shall receive, in full and final satisfaction of their Claims against the Finance Company Debtors and the Holding Company Debtors, the payment of Cash equal to the amount of each such Allowed Class 4 Claim, payable on the Effective Date or as soon thereafter as is practicable.

(c) *Voting:* Class 4 is Impaired and Holders of Allowed Class 4 Claims are entitled to vote to accept or reject the Plan.

5. *Class 5—General Unsecured Claims*

(a) *Classification:* Class 5 comprises the General Unsecured Claims against the Finance Company Debtors.

(b) *Treatment:* Holders of Allowed Class 5 Claims shall receive, in full and final satisfaction of their Allowed Class 5 Claims, their respective Pro Rata shares of the Residual Balance, *provided however*, that, as set forth in the Bid Procedures Order, CFN shall not be entitled directly, or through the Securitization Trustees, to receive any distribution on account of any B-2 Guarantee Claims it may hold or in the future acquire.

(c) *Voting:* Class 5 is Impaired and the Holders of Class 5 Claims are entitled to vote to accept or reject the Plan.

6. *Class 6—Equity Interests*

(a) *Classification:* Class 6 comprises the Equity Interests in the Finance Company Debtors.

(b) *Treatment:* On the Effective Date, Class 6 Equity Interests will be cancelled and the Holders thereof will receive no distribution on account of their Interests.

(c) *Voting:* Class 6 is Impaired and the Holders of Class 6 Equity Interests are conclusively deemed to have rejected the Plan. Holders of Class 6 Equity Interests shall not be entitled to vote to accept or reject the Plan.

D. *Presumed Rejection of the Plan*

Class 6 is deemed to reject the Plan.

E. *Non-Consensual Confirmation*

To the extent that any Impaired Class rejects this Plan or is deemed to have rejected this Plan, the Debtors will request confirmation of this Plan as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to alter, amend, modify, revoke or withdraw this Plan or any document in the Plan Supplement, including to amend or modify it to satisfy the requirements of section 1129(b) of the Bankruptcy Code, if necessary.

On the Effective Date, and in accordance with and pursuant to the terms of the Plan, the Finance Company Debtors shall transfer to the Post-Consummation Estate all of their right, title, and interest in all of the Residual Assets (including, unless otherwise provided for in the Plan, the purchase price paid by the respective purchasers under the Purchase Agreements). In connection with the transfer of these assets, including rights and Causes of Action, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral) transferred to the Post-Consummation Estate shall vest in the Post-Consummation Estate and its representatives, and the Debtors and the Post-Consummation Estate are authorized to take all necessary actions to effectuate the transfer of such privileges.

B. *Rejection Claims: Cure of Defaults*

If the rejection of an executory contract or unexpired lease pursuant to Plan Consummation results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore

evidenced by a Proof of Claim that has been Filed, shall be forever barred and shall not be enforceable against the Finance Company Debtors, the Post-Consummation Estate, or their properties, successors or assigns, unless a Proof of Claim is Filed and served upon counsel for the Plan Administrator on or before thirty (30) days after the later to occur of (i) the Effective Date; and (ii) the date of entry of an order by the Bankruptcy Court authorizing rejection of a particular executory contract or unexpired lease.

ARTICLE VIII.

PROVISIONS REGARDING DISTRIBUTIONS

A. *Time and Method of Distributions*

The Plan Administrator, on behalf of the Post-Consummation Estate, or such other Entity as may be designated by the Plan Administrator, on behalf of the Post-Consummation Estate, will make all distributions required under the Plan in accordance with the Post-Consummation Estate Agreement. The Plan Administrator will make initial distributions in consultation with the Post-Consummation Estate Advisory Board after the Effective Date. Whenever any distribution to be made under the Plan is due on a day other than a Business Day, the Plan Administrator will make each such distribution, without interest, on the immediately succeeding Business Day, but any such distribution will have been deemed to have been made on the date due. Unless the Entity or Person receiving a payment agrees otherwise, the Plan Administrator, at its election, will make any payment in Cash to be made by the Post-Consummation Estate by check drawn on a domestic bank or by wire transfer from a domestic bank. Distributions referred to in this Article refer to Unsecured Claims and shall be made after (i) paying (or reserving for) all Allowed Other Secured Claims, Allowed Lehman Final Secured Claims (other than the Lehman Subordinate Secured Claim), and Allowed 93/94 Note Claims, (ii) funding the Consent Agreement Reserve Account, HE/HI/REC Reserve Account and the BED Escrow Account, (iii) funding the Claim Settlement Escrow and all sub-accounts thereunder, and (iv) paying all Allowed DIP Facility Claims, Allowed Administrative Claims, Allowed Priority Tax Claims, and Allowed Other Priority Claims out of the Claim Settlement Escrow Account. Any time the amount of Cash in the Shared Recovery Escrow Account exceeds \$5 million, the Plan Administrator shall distribute such Cash by paying the Holding Company Debtors the Holding Company Shared Recovery Allocation Amount and distributing the Finance Company Shared Allocation Amount pursuant to the Plan.

With respect to any distribution to the Securitization Trustees under the manufactured housing securitization trusts, the Plan Administrator will provide such trustees, to the extent known, a written schedule setting forth the amount being distributed to each such trust and each class of Claims therein. The method of allocation within the trusts shall be determined in accordance with the U.S. Bank Settlement Stipulation and the order of the Bankruptcy Court on August 27, 2003.

B. *Manner of Payment under the Plan*

Any payment in Cash to be made by the Debtors or the Plan Administrator shall be made, at the election of the Debtors or the Plan Administrator, as the case may be, by check drawn on a domestic bank or by wire transfer from a domestic bank.

C. *Delivery of Distributions*

Subject to the provisions of Fed. R. Bankr. P. 2002(g), and except as otherwise provided herein, distributions and deliveries to Holders of record of Allowed Claims shall be made at the address of each such Holder set forth on the Finance Company Debtors' books and records unless superseded by the address set forth on proofs of claim filed by any such Holders, or at the last known address of such a Holder if no proof of claim is filed or if the Finance Company Debtors has been notified in writing of a change of address. Except as further provided by the Plan or the Bankruptcy Code, the Plan Administrator will make all distributions in accordance with the provisions of the applicable indenture participation agreement, loan agreement or analogous instrument or agreement, if any. Distributions on account of the manufactured housing B-2 Guarantee Claims shall be made directly to the relevant Securitization Trustee, who shall make all distributions pursuant to the U.S. Bank Settlement Stipulation or other order of the Bankruptcy Court.

D. *Undeliverable Distributions*

1. Holding of Undeliverable Distributions:

If any distribution to any Holder is returned to the Plan Administrator as undeliverable, no further distributions shall be made to such Holder unless and until the Plan Administrator is notified, in writing, of such Holder's then-current address. All Entities ultimately receiving undeliverable Cash shall not be entitled to any interest or other accruals of any kind. Nothing contained in the Plan shall require the Plan Administrator to attempt to locate any Holder of an Allowed Claim or an Allowed Interest.

2. Failure to Claim Undeliverable Distributions:

Any holder of an Allowed Claim that does not assert its rights pursuant to the Plan to receive a distribution within six (6) months from and after the date such distribution is returned as undeliverable shall have such holder's Claim for such undeliverable distribution discharged and shall be forever barred from asserting any such Claim against the Post-Consummation Estate, the Plan Administrator or the Residual Assets. In such case, any consideration held for distribution on account of such Claim or Interest shall revert to the Post-Consummation Estate for distribution to the beneficiaries of the Post-Consummation Estate in accordance with the terms of the Plan.

E. *Compliance with Tax Requirements/Allocation*

To the extent applicable, the Post-Consummation Estate shall comply with all tax withholding and reporting requirements imposed on it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. For tax purposes, distributions received in respect of Allowed Claims will be allocated first to the principal amount of such Claims, with any excess allocated to unpaid accrued interest.

F. *Time Bar to Cash Payments*

Checks issued by the Plan Administrator on account of Allowed Claims shall be null and void if not negotiated within ninety (90) days from and after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Plan Administrator by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made within six (6) months from and after the date of issuance of such check. After such date, all Claims in respect of voided checks shall be discharged and forever barred and the Post-Consummation Estate shall retain all monies related thereto for distribution to the beneficiaries of the Post-Consummation Estate in accordance with the terms of the Plan.

G. *Distributions after Effective Date*

Distributions made after the Effective Date to Holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made on the Effective Date. Unless otherwise specifically provided in the Plan, the Finance Company Debtors shall not be obligated to pay interest on account of any Claim not paid on the Effective Date.

H. *Fractional Dollars; De Minimis Distributions*

Notwithstanding anything contained herein to the contrary, payments of fractions of dollars will not be made. Whenever any payment of a fraction of a dollar under the Plan would otherwise be called for, the actual payment made will reflect a rounding of such fraction to the nearest dollar (up or down), with half dollars being rounded down. The Plan Administrator will not make any payment of less than Fifty Dollars (\$50) with respect to any Allowed Claim unless a request therefor is made in writing to the Plan Administrator on or before ninety (90) days after the Effective Date.

I. *Setoffs*

The Plan Administrator may, pursuant to sections 502(d) or 553 of the Bankruptcy Code or applicable nonbankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim), the Claims, rights and Causes of Action of any nature that the Debtors may hold against the Holder of such Allowed Claim; provided, however, that neither the failure to effect such a set-off nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claims, rights and Causes of Action that the Debtors may possess against such Holder; and, provided, further, that nothing contained in the Plan is intended to limit the rights of any Creditor to effectuate a set-off in accordance with the provisions of sections 362 and 553 of the Bankruptcy Code.

J. *Preservation of Finance Company Debtors' Subordination Rights*

All subordination rights and claims relating to the subordination by the Finance Company Debtors of the Allowed Claim of any Creditor shall remain valid, enforceable and unimpaired in accordance with section 510 of the Bankruptcy Code or otherwise, except as otherwise provided in the Plan.

K. *Waiver by Creditors of All Subordination Rights*

Except as otherwise ordered by the Bankruptcy Court, each Holder of a Claim shall be deemed to have waived all contractual, legal and equitable subordination rights that they may have, whether arising under general principles of equitable subordination, section 510(c) of the Bankruptcy Code or otherwise, with respect to any and all distributions to be made under the Plan, and all such contractual, legal or equitable subordination rights that each holder of a Claim has individually and collectively with respect to any such distribution made pursuant to this Plan shall be discharged and terminated, and all actions related to the enforcement of such subordination rights will be permanently enjoined.

L. *Settlement of Claims and Controversies*

Pursuant to Fed. R. Bankr. P. 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of this Plan shall constitute a good faith compromise and settlement of claims or controversies relating to the contractual, legal and subordination rights that a Holder of a Claim may have with respect to any Allowed Claim, or any distribution to be made on account of any such Allowed Claim.

ARTICLE IX.

PROCEDURES FOR RESOLUTION OF DISPUTED, CONTINGENT AND UNLIQUIDATED CLAIMS OR EQUITY INTERESTS

A. *Objections to Claims; Prosecution of Disputed Claims*

1. The Finance Company Debtors prior to the Effective Date and thereafter the Plan Administrator (in accordance with the Post-Consummation Estate Agreement) shall object to the allowance of Claims or Equity Interests Filed with the Bankruptcy Court with respect to which they dispute liability or allowance in whole or in part. All objections shall be litigated or settled prior to Final Order; provided, however, that the Plan Administrator (within any parameters as may be established by the Post-Consummation Estate Agreement) shall have the authority to file, settle, compromise or withdraw any objections to Claims, without approval of the Bankruptcy Court. Unless otherwise ordered by the Bankruptcy Court, the Debtors or the Plan Administrator will file and serve all objections to Claims as soon as practicable.

2. Notwithstanding the foregoing, the Plan Administrator, on behalf of the Post-Consummation Estate, shall have the exclusive right to object to the allowance of Administrative Claims and Secured Claims for one year from the Effective Date if no other deadline to object to such Claims is set by the Bankruptcy Court (the

"Objection Period"); provided, however, that the Plan Administrator shall have the right to seek extension of the Objection Period.

B. *Estimation of Claims*

The Finance Company Debtors prior to the Effective Date and thereafter the Plan Administrator, on behalf of the Post-Consummation Estate, may at any time request that the Bankruptcy Court estimate any contingent or Disputed Claim pursuant to section 502(e) of the Bankruptcy Code regardless of whether the Debtors or the Plan Administrator previously have objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Subject to the provisions of section 502(j) of the Bankruptcy Code, in the event that the Bankruptcy Court estimates any contingent or Disputed Claim, the amount so estimated shall constitute the maximum allowed amount of such Claim. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtors or the Post-Consummation Estate may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

C. *Controversy Concerning Impairment*

If a controversy arises as to whether any Claims or Class of Claims are Impaired under the Plan, the Bankruptcy Court shall, after notice and a hearing, determine that controversy before the Confirmation Date.

D. *Payments and Distributions on Disputed Claims*

1. Notwithstanding any provision hereof to the contrary, except as otherwise agreed to by the Finance Company Debtors (other than the Subject Subsidiaries on and after the CFN Closing Date), prior to the Effective Date and thereafter the Plan Administrator, on behalf of the Post-Consummation Estate, in their sole discretion, no partial payments or partial distributions will be made in satisfaction of a Disputed Claim until it is resolved by settlement or a Final Order.

2. Notwithstanding the foregoing, the Finance Company Debtors (other than the Subject Subsidiaries on and after the CFN Closing Date) prior to the Effective Date and thereafter Plan Administrator, as the case may be, will set aside for each Holder of a Disputed Claim such portion of Cash as necessary to provide required distributions if that Claim were an Allowed Claim, either based upon the amount of the Claim as filed with the Bankruptcy Court or the amount of the Claim as estimated by the Bankruptcy Court.

3. At such time as a Disputed Claim becomes, in whole or in part an Allowed Claim, the Plan Administrator shall distribute to the Holder thereof the distributions, if any, to which such Holder is then entitled under the Plan. Such distribution, if any, will be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim becomes a Final Order. No interest will be paid on Disputed Claims that later become Allowed or with respect to any distribution in satisfaction thereof to a Holder.

ARTICLE X.

CONDITIONS PRECEDENT TO CONFIRMATION
AND EFFECTIVE DATE OF THE PLAN

A. *Conditions Precedent to Confirmation*

The following are conditions precedent to confirmation of this Plan that must be (i) satisfied or (ii) waived in accordance with Article X.C below.

X.B.2, X.B.3, X.B.4, X.B.6, X.B.7, X.B.8, X.B.9 and X.B.10 above. If the Confirmation Order is vacated, this Plan shall be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims by or against, or any Equity Interests in, the Debtors; (2) prejudice in any manner the rights of the Finance Company Debtors; or (3) constitute an admission, acknowledgment, offer or undertaking by the Finance Company Debtors in any respect.

D. *Effect of Non-Occurrence of Consummation*

If the Confirmation Order is vacated, this Plan shall be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims by or against, or any Equity Interests in, the Finance Company Debtors; (2) prejudice in any manner the rights of the Finance Company Debtors or any other party; or (3) constitute an admission, acknowledgment, offer or undertaking by the Finance Company Debtors in any respect.

ARTICLE XI.

RELEASE, INJUNCTIVE AND RELATED PROVISIONS

A. *Compromise and Settlement*

The allowance, classification and treatment of all Allowed Claims and Allowed Equity Interests and their respective distributions and treatments hereunder take into account and/or conform to the relative priority and rights of the Claims and Equity Interests in each Class in connection with any contractual, legal and equitable subordination rights relating thereto whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code or otherwise. As of the Effective Date, any and all such rights described in preceding sentence are settled, compromised and released pursuant hereto. In addition, the allowance, classification and treatment of Allowed Claims in Classes 3, 4 and 5 takes into account any Causes of Action, claims or counterclaims, whether under the Bankruptcy Code or otherwise under applicable law, that may exist between the Finance Company Debtors and the Holders of such Claims, and, as of the Effective Date, any and all such Causes of Action, claims and counterclaims are settled, compromised and released pursuant hereto. The Confirmation Order shall approve the releases by all Persons and Entities of such contractual, legal and equitable subordination rights or Causes of Action, claims or counterclaims against such Holder satisfied, compromised and settled in this manner. Notwithstanding any other provision of this Plan, the Finance Company Debtors and the Plan Administrator shall not be deemed to have waived any Causes of Action against any Consenting Party, with the sole exceptions of Lehman, Holders of 93/94 Note Claims, Wilmington Trust, the Securitization Trustees, and the Holding Company Debtors.

B. *Releases by the Finance Company Debtors*

Except as otherwise specifically provided in the Plan or in the Plan Supplement, for good and valuable consideration, including the service of the Releasees to facilitate the expeditious reorganization of the Finance Company Debtors and the implementation of the restructuring contemplated by the Plan, the Releasees, on and after the Effective Date, are deemed released by the Finance Company Debtors and the Post-Consummation Estate from any and all Claims (as defined in section 101(5) of the Bankruptcy Code), obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative Claims asserted on behalf of a Finance Company Debtor, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Finance Company Debtors or their subsidiaries would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Person or Entity, based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, other than Claims or liabilities arising out of or relating to any Releasee's obligations to repay its obligations under the D&O Credit Facilities or related documents.

C. *Releases by Holders of Claims*

On and after the Effective Date, each Consenting Party shall be deemed to have unconditionally released each Releasee from any and all Claims (as defined in section 101(5) of the Bankruptcy Code), obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any derivative Claims asserted on behalf of a Finance Company Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Person or Entity would have been legally entitled to assert (whether individually or collectively), based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date in any way relating or pertaining to (w) the purchase or sale, or the rescission of a purchase or sale, of any security of a Finance Company Debtor, (x) a Finance Company Debtor, (y) the Chapter 11 Cases, or (z) the negotiation, formulation and preparation of the Plan, or any related agreements, instruments or other documents. No portion of the releases by the Consenting Parties in any way impairs any Cause of Actions, liability, Claim or right arising out of or relating to (a) any act or omission of a Releasee that constitutes (1) a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Releasee reasonably believed to be in the best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law), or (2) constitutes willful misconduct, gross negligence or recklessness or (b) any Releasee's obligations to repay its obligations under the D&O Credit Facilities or related documents.

D. *Mutual Releases Among the Finance Company Debtors, the Committee, the Securitization Trustees and Lehman*

1. Upon the effectiveness of the releases contemplated in section D(2) below, each of the Lehman Releasees releases, waives, compromises and settles any and all rights, claims and causes of action that any of them has or has had against the Lehman Released Parties from any and all actions, causes of action, suits, claims, demands, charges, debts, sums of money, judgments, damages, levies and executions of whatsoever kind, nature or description arising from or relating to, any one or more of the Finance Company Debtors, their respective estates and their respective chapter 11 cases, any securities issued by any of the Finance Company Debtors, any financial accommodations or loans made to, or other financing transactions with, any of the Finance Company Debtors, and any actions taken with respect to, relating to or in connection with any of the foregoing, which any Lehman Releasee ever had or now has against any of the Lehman Released Parties, and the consequences thereof, including any claims, losses, costs or damages, including compensatory and punitive damages, in each case, whether known or unknown, liquidated or unliquidated, fixed or contingent, direct or indirect, upon or by reason of any matter, act, occurrence, transaction, event or thing prior to or existing on the Effective Date.

2. In addition to Article XI.B and XI.C above, effective upon the Effective Date, Lehman and the other Lehman Released Parties release, waive, compromise and settle any and all rights, claims and causes of action that any of them has or has had against any of the Lehman Releasees (except for the Lehman Unsecured Claim) from any and all actions, causes of action, suits, claims, demands, charges, debts, sums of money, judgments, damages, levies and executions of whatsoever kind, nature or description arising from or relating to, any one or more of the Finance Company Debtors, their respective estates and their respective chapter 11 cases, any securities issued by any of the Debtors, any financial accommodations or loans made to, or other financing transactions with, any of the Finance Company Debtors, and any actions taken with respect to, relating to or in connection with any of the foregoing, which any Lehman Released Party ever had or now has against any Lehman Releasee, and the consequences thereof, including any claims, losses, costs or damages, including compensatory and punitive damages, in each case, whether known or unknown, liquidated or unliquidated, fixed or contingent, direct or indirect, upon or by reason of any matter, act, occurrence, transaction, event or thing prior to or existing on the Effective Date.

E. *Exculpation*

The Exculpated Parties shall neither have, nor incur any liability to any Person or Entity for any pre- or post-petition act taken or omitted to be taken in connection with, or related to formulating, negotiating, preparing, disseminating, implementing, administering, Confirming or Consummating the Plan, the Disclosure Statement or any contract, instrument, release or other agreement or document created or entered into in connection with the Plan or any other pre- or post-petition act taken or omitted to be taken in connection with or

in contemplation of the restructuring of the Finance Company Debtors; provided, however, that the foregoing provisions of this Article XI.E shall have no effect on the liability of any Person or Entity that results from any such act or omission that is determined in a Final Order to have constituted gross negligence, recklessness or willful misconduct, and, provided further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning his, her or its duties pursuant to, or in connection with, the Plan.

F. Preservation of Rights of Action

1. Maintenance of Causes of Action

Except as otherwise provided in the Plan or the Purchase Agreements, the Post-Consummation Estate shall retain all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, in any court or other tribunal including, without limitation, in an adversary proceeding Filed in one or more of the Chapter 11 Cases, including, but not limited to, the actions specified in the Plan Supplement.

Except as otherwise provided in the Plan, in accordance with section 1123(b)(3) of the Bankruptcy Code, any Claims, rights, and Causes of Action that the respective Finance Company Debtors may hold against any Entity shall vest in the Post-Consummation Estate. The Post-Consummation Estate, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Claims, rights or Causes of Action. The Post-Consummation Estate shall have the exclusive right, authority, and discretion to institute, prosecute, abandon, settle, or compromise any and all such Claims, rights, and Causes of Action without the consent or approval of any third party and without any further order of court.

2. Preservation of All Causes of Action Not Expressly Settled or Released

The Finance Company Debtors are currently investigating whether to pursue potential Causes of Action against certain Persons or Entities. They have not yet completed this investigation. Therefore, subject to the Releases granted in Article XI hereof, the Plan Administrator shall retain, on behalf of the Post-Consummation Estate, all rights on behalf of the Finance Company Debtors and the Post-Consummation Estate to commence and pursue any and all Causes of Action (under any theory of law, including, without limitation, the Bankruptcy Code, and in any court or other tribunal including, without limitation, in any adversary proceeding Filed in the Chapter 11 Cases) discovered in any subsequent investigation that the Plan Administrator may deem appropriate. Potential Causes of Action currently being investigated by the Finance Company Debtors, which may be pursued by the Finance Company Debtors prior to the Effective Date and by the Plan Administrator, on behalf of the Post-Consummation Estate, after the Effective Date, to the extent warranted, include, without limitation, (i) a list of potential Claims and Causes of Action that will be set forth in the Plan Supplement to the extent determined as of the date thereof; and (ii) Preference Actions that will be set forth in the Plan Supplement to the extent determined as of the date thereof (although the Finance Company Debtors and, after the Effective Date, the Plan Administrator, on behalf of the Finance Company Debtors and the Post-Consummation Estate reserve all rights to pursue any and all Preference Actions discovered subsequent to the Filing Date of the Plan Supplement). Additionally, without limitation, the Finance Company Debtors hereby reserve the rights of the Plan Administrator, on behalf of the Post-Consummation Estate, to pursue:

(a) Any other Causes of Action (excluding any potential Causes of Action released, waived or settled under the Plan or prior to the Effective Date), whether legal, equitable or statutory in nature, arising out of, or in connection with the Finance Company Debtors' businesses or operations, including, without limitation, the following: possible claims against vendors, landlords, sublessees, assignees, customers or suppliers for warranty, indemnity, back charge/set-off issues, overpayment or duplicate payment issues and collections/accounts receivables matters; deposits or other amounts owed by any creditor, lessor, utility, supplier, vendor, landlord, sublessee, assignee, or other Person or Entity; employee, management or operational matters; claims against landlords, sublessees and assignees arising from the various leases, subleases and assignment agreements relating thereto, including, without limitation, claims for overcharges relating to taxes, common area maintenance and other similar charges; financial reporting; environmental, and product liability matters; actions against insurance carriers relating to coverage,

indemnity or other matters; counterclaims and defenses relating to notes or other obligations; contract or tort claims which may exist or subsequently arise:

(b) Any and all avoidance actions pursuant to any applicable section of the Bankruptcy Code, including, without limitation, sections 544, 545, 547, 548, 549, 550, 551, 553(b) and/or 724(a) of the Bankruptcy Code, arising from any transaction involving or concerning any of the Finance Company Debtors;

(c) Any and all Causes of Action listed in the Schedule of Causes of Action set forth in the Plan Supplement; and

(d) In addition, any other Causes of Action that currently exist or may subsequently arise and which have not been otherwise set forth herein, in the Cause of Action Summary or in the List of Retained Causes of Action, because the facts upon which such Causes of Action are based are not currently or fully known by the Finance Company Debtors and, as a result, cannot be raised during the pendency of the Chapter 11 Cases (collectively, the "Unknown Causes of Action"). The failure to list any such Unknown Cause of Action herein, or in the Cause of Action Summary or the List of Retained Causes of Action, is not intended to limit the rights of the Plan Administrator, on behalf of the Post-Consummation Estate, to pursue any Unknown Cause of Action to the extent the facts underlying any such Unknown Cause of Action subsequently become fully known to the Finance Company Debtors.

Unless Causes of Action against a Person or Entity are expressly waived, relinquished, released, compromised or settled in the Plan or any Final Order, the Finance Company Debtors (before the Effective Date) and the Plan Administrator, on behalf of the Post-Consummation Estate (post-Effective Date), expressly reserve all Causes of Action and Unknown Causes of Action, including the Causes of Action described herein and in the Causes of Action Summary and the List of Retained Causes of Action, as well as any other Causes of Action or Unknown Causes of Action, for later adjudication and therefore, no preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon or after the confirmation or Consummation of the Plan. In addition, the Finance Company Debtors, the Plan Administrator, on behalf of the Post-Consummation Estate, and any successors-in-interest thereto, expressly reserve the right to pursue or adopt any Claims not so waived, relinquished, released, compromised or settled that are alleged in any lawsuit in which the Finance Company Debtors are a defendant or an interested party, including the lawsuits described in the Disclosure Statement, against any Person or entity, including, without limitation, the plaintiffs and co-defendants in such lawsuits.

Moreover, Causes of Action shall also include any causes of action that may arise after the Effective Date against any Person or Entity to whom the Finance Company Debtors have incurred an obligation (whether on account of services rendered to the Post-Consummation Estate, or the purchase or sale of goods or otherwise), or who has received services from the Finance Company Debtors or a transfer of money or property of the Finance Company Debtors, or who has transacted business with the Finance Company Debtors, or leased equipment or property from the Finance Company Debtors should assume that such obligation, transfer, or transaction may be reviewed by the Finance Company Debtors subsequent to the Effective Date and may, to the extent not theretofore waived, relinquished, released, compromised or settled, be the subject of an action after the Effective Date, whether or not (i) such Person or Entity has Filed a proof of Claim against the Finance Company Debtors in the Chapter 11 Cases; (ii) such Person's or Entity's proof of Claim has been objected to; (iii) such Person's or Entity's Claim was included in the Finance Company Debtors' Schedules; or (iv) such Person's or Entity's scheduled Claim has been objected to by the Finance Company Debtors or has been identified by the Finance Company Debtors as disputed, contingent, or unliquidated.

Except as otherwise provided in the Plan or in any contract, instrument, release, Indenture or other agreement entered into in connection with the Plan, in accordance with section 1123(b)(3) of the Bankruptcy Code, any Claims, rights, and Causes of Action that the respective Finance Company Debtors, Estates, or Post-Consummation Estates may hold against any Person or Entity, including but not limited to those Causes of Action listed in the Disclosure Statement, shall vest in the Post-Consummation Estate, and the Post-Consummation Estate shall retain and may exclusively enforce, as the authorized representatives of the respective Estates and Post-

Consummation Estates, any and all such Claims, rights, or Causes of Action. The Plan Administrator, on behalf of the Post-Consummation Estate, may pursue any and all such Claims, rights, or Causes of Action, as appropriate, in accordance with the best interests of the Post-Consummation Estate. Subject to Article XII herein, the Plan Administrator, on behalf of the Post-Consummation Estate, shall have the exclusive right, authority, and discretion to institute, prosecute, abandon, settle, or compromise any and all such Claims, rights, and Causes of Action without the consent or approval of any third party and without any further order of the Bankruptcy Court. Nothing in this Plan shall limit the ability of any party to name any Releasee for nominal purposes only in any Cause of Action for the sole purpose of invoking coverage (if any) under applicable insurance policies; provided that under no circumstances shall such naming affect, alter, amend or impair the provisions of the Plan or other agreements with respect to the liability (if any) of any such Releasee, including any release, waiver or exculpation provisions related thereto.

G. *Release and Satisfaction of Claims; Termination of Equity Interests; Injunction*

Except as otherwise provided herein, and as set forth in the Confirmation Order and except with respect to the Post-Confirmation Estate: (a) the rights afforded herein and the treatment of all Claims and Equity Interests herein, shall be in exchange for and in complete satisfaction and release of, all Claims and Equity Interests of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, against the Finance Company Debtors or any of their assets and properties, (b) on the Effective Date, all such Claims against, and Equity Interests in, the Finance Company Debtors shall be satisfied and released in full, and (c) **all Persons shall be precluded from asserting against the Finance Company Debtors, the Post-Confirmation Estates, their successors or their assets or properties, any other or further Claims or Equity Interests based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Confirmation Date.**

ARTICLE XII.

POST-CONSUMMATION ESTATE; THE PLAN ADMINISTRATOR

A. *Generally*

The powers, authority, responsibilities and duties of the Post-Consummation Estate and the Plan Administrator are set forth in and shall be governed by the Post-Consummation Estate Agreement. The Finance Company Debtors (other than the Subject Subsidiaries on and after the CFN Closing Date) and the Committee shall appoint the Plan Administrator, and shall have the sole authority to administer all assets prior to their transfer to the Post-Consummation Estate.

B. *Purpose of the Post-Consummation Estate*

The Post-Consummation Estate shall be established for the primary purpose of liquidating its assets, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Post-Consummation Estate. Accordingly, the Post-Consummation Estate shall, in an expeditious but orderly manner, liquidate and convert to cash the Post-Consummation Estate Assets, make timely distributions to the Beneficiaries and not unduly prolong its duration. The Post-Consummation Estate shall not be deemed a successor-in-interest of the Finance Company Debtors for any purpose other than as specifically set forth herein or in the Post-Consummation Estate Agreement. The Post-Consummation Estate is intended to qualify as a "grantor trust" for federal income tax purposes with the Beneficiaries treated as grantors and owners of the trust.

C. *Transfer of Assets to Post-Consummation Estate*

1. The Finance Company Debtors and the Plan Administrator shall establish the Post-Consummation Estate on behalf of the Beneficiaries pursuant to the Post-Consummation Estate Agreement, to be treated as the grantors and deemed owners of the Post-Consummation Estate Assets and the Finance Company Debtors shall as set forth below transfer, assign, and deliver to the Post-Consummation Estate, on behalf of the Beneficiaries, all of their right, title, and interest in the Post-Consummation Estate Assets, including claims and causes of action of the

Finance Company Debtors, other than any claims and causes of action waived, exculpated or released in accordance with the provisions herein, notwithstanding any prohibition of assignability under applicable non-bankruptcy law. The Post-Consummation Estate shall agree to accept and hold the Post-Consummation Estate Assets in the Post-Consummation Estate for the benefit of the Beneficiaries, subject to the terms herein and the Post-Consummation Estate Agreement.

2. On the Effective Date, the Finance Company Debtors shall transfer the Post-Consummation Estate Assets to the Post-Consummation Estate for the benefit of the Beneficiaries. Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, all Assets and properties encompassed by this Plan shall vest in the Post-Consummation Estate in accordance with section 1141 of the Bankruptcy Code. Upon the transfer of the Post-Consummation Estate Assets to the Post-Consummation Estate, the Finance Company Debtors shall have no interest in or with respect to such Post-Consummation Estate Assets or the Post-Consummation Estate.

3. For all federal income tax purposes, all parties (including, without limitation, the Finance Company Debtors, the Plan Administrator and the Beneficiaries) shall treat the transfer of the Post-Consummation Estate Assets by the Finance Company Debtors to the Post-Consummation Estate, as set forth in the Post-Consummation Estate Agreement, as a transfer of such assets by the Finance Company Debtors to the Holders of Allowed Claims entitled to distributions under this Plan, followed by a transfer by such Holders to the Post-Consummation Estate. Thus, the Beneficiaries shall be treated as the grantors and owners of a grantor trust for federal income tax purposes.

D. *Valuation of Assets*

As soon as practicable after the Effective Date, the Post-Consummation Estate (to the extent that the Plan Administrator deems it necessary or appropriate in his sole discretion) shall value the Residual Assets based on the good faith determination of the Post-Consummation Estate and shall apprise the Beneficiaries of the Post-Consummation Estate of such valuation. The valuation shall be used consistently by all parties (including the Finance Company Debtors, the Plan Administrator and the Beneficiaries of the Post-Consummation Estate) for all federal income tax purposes. The Bankruptcy Court shall resolve any dispute regarding the valuation of these assets.

E. *Distribution; Withholding*

The Plan Administrator shall make distributions to the Beneficiaries of the Post-Consummation Estate as provided in the Post-Consummation Estate Agreement. The Post-Consummation Estate may withhold from amounts distributable to any Entity or Person any and all amounts, determined in the Plan Administrator's sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement. After appropriate reserves have been established to fund amounts set forth above and as identified in the Post-Consummation Estate Budget (including, but not limited to, amounts to pay Allowed Administrative Expense Claims, Priority Tax Claims, Other Priority Non-Tax Claims and the fees and expenses of the Plan Administrator and the Post-Consummation Estate), the funds to be distributed to the Holders of Allowed Class 5 Claims shall be distributed to such Holders on a Pro Rata basis at the sole discretion of the Plan Administrator. Distributions on account of the B-2 Guarantee Claims shall be made as set forth in the Order of this Court, dated August 27, 2003, Approving (1) the Allocation of the Allowed Claim to Holders of Manufactured Housing Certificates Guaranteed by Conseco Finance Corp., (2) the Allowed Claims to the Holders of Home Equity/Home Improvement and Recreational Vehicle Trust Certificates Guaranteed by Conseco Finance Corp., and (3) the Reserve Account for the Benefit of Holders of Home Equity/Home Improvement and Recreational Vehicle Securitization Certificates.

F. *Post-Consummation Estate Implementation*

On the Effective Date, the Post-Consummation Estate will be established and become effective for the benefit of the Holders of Allowed Claims entitled to distributions under the Plan. The Post-Consummation Estate Agreement shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Post-Consummation Estate as a grantor trust and the Holders of Allowed Claims as the grantors and owners thereof for federal income tax purposes. All parties (including the Finance Company Debtors, the Plan Administrator and Holders of Allowed

Claims) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Post-Consummation Estate.

G. *Disputed Claims Reserve*

The Plan Administrator shall maintain, in accordance with the Plan Administrator's powers and responsibilities under this Plan and the Post-Consummation Estate Agreement, a reserve for any distributable amounts required to be set aside on account of Disputed Claims (the "Disputed Claims Reserve"). The Plan Administrator, shall, in his sole discretion, distribute such amounts (net of any expenses, including any taxes relating thereto), as provided herein and in the Post-Consummation Estate Agreement, as such Disputed Claims are resolved by Final Order, and such amounts shall be distributable in respect of such Disputed Claims as such amounts would have been distributable had the Disputed Claims been Allowed Claims as of the Effective Date. The Post-Consummation Estate will pay taxes on the taxable net income or gain allocable to Holders of Disputed Claims on behalf of such Holders and, when such Disputed Claims are ultimately resolved, Holders whose Disputed Claims are determined to be Allowed Claims will receive distributions from the Post-Consummation Estate net of taxes which the Post-Consummation Estate previously paid on their behalf.

H. *Termination of Post-Consummation Estate*

The Post-Consummation Estate will terminate as soon as practicable, but in no event later than the fifth (5th) anniversary of the Effective Date; *provided, however*, that, on or prior to the date six (6) months prior to such termination, the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Post-Consummation Estate for a finite period, if such an extension is necessary to liquidate the Residual Assets. Notwithstanding the foregoing, multiple extensions may be obtained so long as Bankruptcy Court approval is obtained at least six (6) months prior to the expiration of each extended term; *provided, however*, that the Plan Administrator receives an opinion of counsel or a favorable ruling from the Internal Revenue Service that any further extension would not adversely affect the status of the Post-Consummation Estate as a grantor trust for federal income tax purposes.

I. *Termination of Plan Administrator*

The duties, responsibilities and powers of the Plan Administrator shall terminate in accordance with the terms of the Post-Consummation Estate Agreement.

J. *Exculpation; Indemnification*

The Plan Administrator, the Post-Consummation Estate, the Advisory Board, the Non-Professionals, the Professionals or their representatives shall be exculpated and indemnified pursuant to the terms of the Post-Consummation Estate Agreement.

ARTICLE XIII.

RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain such jurisdiction over any matter arising under the Bankruptcy Code related to the Chapter 11 Cases or the Plan after Confirmation and after the Effective Date, including jurisdiction to:

1. allow, disallow, determine, liquidate, classify, estimate or establish the priority or secured or unsecured status of any Claim or Equity Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the allowance or priority of Claims or Equity Interests;

None of the filing of this Plan, any statement or provision contained herein, or the taking of any action by any Finance Company Debtor with respect to this Plan, the Disclosure Statement or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Finance Company Debtor with respect to the Holders of Claims or Equity Interests prior to the Effective Date.

I. *Section 1146 Exemption*

Pursuant to section 1146(c) of the Bankruptcy Code, under this Plan, (i) the issuance, distribution, transfer or exchange of any debt, equity security or other interest in the Debtors; (ii) the creation, modification, consolidation or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iii) the making, assignment or recording of any lease or sublease; or (iv) the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including any deeds, bills of sale, assignments or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan shall not be subject to any document recording tax, mortgage recording tax, stamp tax or similar government assessment, and the appropriate state or local government official or agent shall be directed by the Bankruptcy Court to forego the collection of any such tax or government assessment and to accept for filing and recording any of the foregoing instruments or other documents without the payment of any such tax or government assessment.

All subsequent issuances, transfers or exchanges of securities, or the making or delivery of any instrument of transfer by the Debtors in the Chapter 11 Cases, whether in connection with a sale under section 363 of the Bankruptcy Code or otherwise, shall be deemed to be or have been done in furtherance of this Plan.
